**Annual Conference
28–30 September 2006
Parliament Buildings, Wellington, New Zealand
*“Parliamentary Control of the Executive: the People and
the Money”***

The conference theme continues and develops the 2005 theme of ‘Parliament and accountability’, which focused primarily on parliamentary oversight of agencies’ roles and the development of oversight committees. In 2006 we address the issues of financial accountability and the effectiveness of parliamentary processes in holding ministers, governments and public servants to account.

Venue: All venues are within Parliament Buildings; the entrance to Parliament is from Molesworth Street, the main entrance is clearly marked and is between the Beehive and Parliament House.
